

## TRANSITION & SUPPORT

# Bringing the right people to your finance challenges

## Strengthening finance teams for a complex tomorrow

Finance teams today face constant change, talent shortages, and rising complexity. Agility and continuity are essential, yet hard to achieve when resources are stretched. At TriFinance, we **actively connect your finance challenges with the right people**. Through our Transition & Support services, we deliver flexible, immediately productive experts, ensuring your operations run smoothly and your team is ready for growth.

## How we can support you

When your finance team faces gaps, peaks, or unexpected change, you need solutions that demonstrate results quickly. We **provide pragmatic, tailor-made operational support across all levels of your finance organization**.

### Our Transition & Support services help you to:

#### Ensure continuity

- Cover temporary gaps caused by illness, parental leave, turnover, or skill shortages.

#### Balance workloads

- Manage peak periods and align workforce capacity with business needs.

#### Drive agility

- Build resilient, change-ready finance teams that thrive in dynamic environments.

With a network of 400+ Me inc.® consultants and interim managers, we provide **expertise across the entire finance spectrum**, ensuring you can always count on having the right skills at the right time.

### Finance & Controlling Operations

- AP, AR, GL
- Credit & Collection
- Cost Controlling, Financial & Business Controlling, Plant Controlling, Commercial Controlling
- Treasury & Working Capital Management
- Consolidation
- Internal Audit & Risk

### Management & Project Roles

- Finance Management
- Interim CFO
- Project Management
- Business Analysis

# Our approach

At TriFinance, we offer more than additional capacity. We bring **expertise that makes a difference**. Our unique Do-How approach combines hands-on execution (Do) with deep knowledge (Know-How), ensuring that every assignment delivers real impact. **Behind every consultant stands our internal network of specialists**, guaranteeing quality and long-term impact.

Our proven four-step process guarantees alignment and long-term value

#### INTAKE & MATCHING

We understand your challenge and select the right talent for your context.

#### SCOPE & DELIVERABLES

Together, we define clear goals and a roadmap for success.

#### MENTORING & MONITORING

Continuous subject-matter support and mentoring, as well as quality checks, ensure that everything stays on track.

#### CLOSING & TRANSFER:

We document and transfer knowledge so the value stays with you.

## Why clients choose TriFinance

**Three powerful reasons** why companies rely on TriFinance for their most critical finance support needs:

01

#### Economies of Motivation®

We align our consultants' career ambitions with your project goals, ensuring commitment and delivering that "one thing more" for real value.

02

#### Embedded quality assurance

Every consultant benefits from a dedicated mentor for technical and project expertise, backed by the strength of our TriFinance network. We go beyond simple resource placement by ensuring structured project follow-up and delivery reviews, guaranteeing excellence and seamless knowledge transfer.

03

#### Network scale & Me inc.'er® DNA

With 1,000+ Me inc.'ers® across Benelux and Germany, we offer availability and the perfect match. Our proactive, entrepreneurial professionals deliver impact from day one.
